"The fittest is the best." "To bring out the best self of each child." Through decades of practice as educators, we drew out those beliefs and have been upholding them ever since to achieve our educational ideals. We believe in the power of "to believe". On this beautiful campus, with love and care from the faculty team, each child has been growing into his or her self, positive and vigorous, since the beauty and kindness within have been brought out, the initiative for learning and exploring has been unchained, and the fantastic creativity has been inspired. All the children are working very hard on their own life paths, striving to be their best selves. Three years can be very long, long enough to transform a teenager into his or her adulthood; three years can also be very short, too short for the efforts to become a person capable of feeling and giving out happiness in its full sense.

"Young at Heart, Wise in Years", "In this Season of Blooming Flowers, Future Awaits", and "Dedicated Dreams" are not only our commencement themes but also the faculty's expectations for the graduates and the graduates' expectations for themselves. We, faculty and students, join hands in chasing our dreams and living a meaningful life. Keep striving for our purposes!

"合适的就是最好的", "让看似平凡的孩子光芒四射让本已优秀的孩子更加卓尔不群", 这些是几十年实践得出的教育信条, 更是未来孜孜以求的目标。因为相信相信的力量, 在这美丽温馨的校园里, 在师长用情用心的呵护下, 每个孩子在渐渐地成长, 渐渐地找到了昂扬向上富有个性的自我, 并不断地美好的内心点燃了, 把自己的学习和探究的兴趣点燃了, 把自己的无限想象力点燃了。孩子们自信地朝着合适于他们自己发展的方向不断努力, 做最好的自己。三年很长, 让人由少年蜕变成青年; 三年很短, 把自己培养成有能力感受幸福和给予幸福的努力, 还需要时间。

"归来仍是少年" - "花海无尽, 载梦彼方" - "逐梦不负韶华", 这是一个个毕业典礼的主题, 更是师长对远行的毕业生们的期许和毕业生们自我的期待。在追逐梦想, 成就有意义的人生路上, 我们师生同行! 加油!

这本年鉴反映了我们学校的发展历程。在过去三年里, 主动性、创造力和决心让我们拥有了诸多不凡的机会和成就。从教室到运动场, 在上海乃至世界各地, 我们的体验和经历不断地改造着我们。我们提出问题, 结交朋友, 大胆尝试, 发现新的兴趣, 并把目光投向更光明的未来。

当然, 我非常自豪能在学校最初发展的这几年做出自己的贡献。我知道我们未来还会迎来更多的机会。我们已经建立了一个培养人才的社区, 以及通过鼓励和认可来启发和激励彼此的文化。正如我经常跟大家说的那样, 为了实现期待中的未来, 我们必须要有: 善良并尽自己最大的努力。这两条原则都对我们提出了很高的要求, 而且都要从我们内心的修行开始。正如未来每一届的宏润博源人都会继续践行这两条原则一样, 我希望你们也能带着这两条原则走向世界。

This book reflects the creation of a community. Over three years, initiative, creativity, and determination have led to a fantastic array of opportunities and accomplishments. From classroom to sports field, here in Shanghai and around the world, we have been transformed by our experiences. We have asked questions, made friends, taken risks, discovered new interests, and set our sights on a brighter future.

Certainly, I am proud to have played a part in these first years of our School. I know that all the more opportunity exists for the future. We have built a place that enables talent, and a culture that inspires with encouragement and recognition. I believe in my expectations necessary for that future, as I have shared many times: be kind, and try your best. Both demand a great deal, and begin from within. Just as future generations at SHBS will continue to grapple with such work, I hope too that you will carry it with you into the world.

北辰论坛

北辰论坛是由我校学生会自发创设的让同学们对学校发展建言献策并提供多样化解决方案的平台。语出《论语》为政篇第二，子曰：“为政以德，譬如北辰，居其所而众星共之。”宗旨目的是：以学生别样的思维方式和独特的洞察角度改善学校环境、推动社区进步。

The Beichen Forum is a platform created by the Associated Student Board for students to provide suggestions and diversified solutions for the development of the school. The word "Beichen" comes from Confucius' famous quote: "For politics and virtue, be just like a Beichen. (Beichen) lives in its place and share its ideas with all the stars." The purpose of the Beichen forum is to improve students' critical thinking skills and prepare them for future political participation.
